I recently got PPF done on my car at Dawn Town, and I'm very satisfied with the experience. The team was highly professional, explained the entire process in detail, and delivered exactly what they promised. The quality of the work is outstanding – the finish is flawless, and the car looks brand new! They also completed the job on time and handled my vehicle with great care. Highly recommend this place if you're looking for quality detailing and paint protection services.

Pleasantly surprised by the service. One of my favorite things at this location is their infrastructure. Went for a car wash, people took great caring and attention. (Car : Verna / car wash : 900₹)

I had given my 3 year old white XL6 for a complete black colored PPF. Honestly I didn't expect such a finish from them. There's no place where you could find white color exposure in the exterior. Each and every trim is perfectly finished. Literally amazed by the quality work from the DAWNTOWN team!! 😇Thanks to Gowtham, Abirami and the team
